Continuation of Substance of Interview including description of the general nature of what was discussed: This application was allowed on 1/25/2011, but it was subsequently discovered that in the RCE filed 1/18/2011, original claims 36-39 each depend from cancelled original claim 5, and they should each depend from original claim 35. The Applicant agreed that this was a typing mistake and gave permission for the correction making original claims 36-39 each depend from original claim 35 (or renumbered claims 6-9 will each depend from renumbered claim 5), which will be made when the patent is issued. This resolves all issues regarding this Application and it should proceed to issue as a result, since the Notice of Allowability was issued.
